Minifig Hide and Seek RULES

1. Minifig hide and seek is restricted to children 12 and under.
2. Each hour the event is open, a photo with 5 Minifigs will be posted on the prize table. This will indicate the hunt has begun.
3. To qualify for a prize, contestants must be the first to find all 5 Minifigs without adult assistance. For the purposes of this game an adult is considered to be anyone 13 years of age or older. **Anyone receiving adult assistance will be disqualified from prize consideration.**
4. It is up to you to get the judges attention when you find all 5 Minifigs. In a noisy environment judges may not be able to hear you clearly. **When you locate all 5 Minifigs raise your hand and yell "I found all 5!"**. This makes it easier to see you.
5. Each contestant to announce they have found all 5 Minifigs (in the order of declaration) will then be given 60 seconds to identify all 5 minifigs in order until a winner is found. **One out of five contestants fails to correctly identify all 5 Minifigs or the right 5 Minifigs so don't give up until a winner is found.**
6. First to correctly locate all 5 minifigs will draw a card from the prize deck and wins a LEGO prize.
7. After 10 minutes, if no winner has been declared, hints may be provided at the judge's discretion.
8. Contestants may not win more than one prize per day.
9. Contestants are responsible for reading the rules. FLC judge determinations are final.

Each card from the prize deck corresponds with a prize or prize type, the higher the card the better the prize.

- Face cards (A, K, Q, & J) indicate actual prizes.
- Number cards (10-2) indicate prize types/groups. Where the winner selects one prize.
